Turbo – Review

Digital animations are, more often than not, propelled by unlikely **underdogs**; by little engines that could. The **humble** crop-duster hero of Disney's Planes wants to win a race around the world; Ratatouille's rodent Remy hopes to become a world-class chef; video game **villain** Wreck-It Ralph wants to be the good guy; Kung Fu Panda wants to be, well, a Kung Fu Panda.

In this spirit, Turbo, a common garden snail voiced **affably** by Ryan Reynolds, dreams of competing in the Indianapolis 500. Hey, it's a talking **snail**: how hard can speeds of 200 mph be? Quite hard, it transpires, until Turbo ends up under a car **bonnet** in a Fast and Furious 3-inspired tussle. The accident and a jab of nitrous oxide leaves our mollusc hero with speedy superpowers, abilities that soon land Turbo and his **exasperated**, conservative brother Chet (Paul Giamatti) at a shabby Los Angeles shopping centre. Here, Turbo is championed by Taco-selling **dreamer** Tito (Michael Peña) and struggling local business owners.

The voice cast performs well, with plenty of recognizable actors behind them, including Samuel L Jackson and Ryan Reynolds. In the end, "Turbo" is a very **cute** movie with lots of great animation and elements that the

kids are going to love. The immediate comparison is Cars, but this movie is smarter and less **coy** about the adult-targeted humour.
